Hiring Manager
Nepali Brothers
Lalitpur, Nepal

Dear sir/ma'am,

I am here to express my fascination in this position of Admin and finance intern at Nepali Brothers. As a Bachelor student and having enthusiastic feminine personality to advocate for human's rights and having eager to learn more about LGBT, I admit I can contribute effectively to the vital works of your organization. With three years of experience as marketer in cooperative, I have gain valuable insights into financial operations, strategic marketing and how to manage resources efficiently. I have recently done 3-month intern on furniture house in Bhaktapur gain handful knowledge in accounting process.

Additionally, my academic background in business, finance along with marketing experience has equipped me with solid foundation in financial management. My passionate interest to reform Nepalese society with active youth engagement align perfectly with Nepali brother mission.

So, I am highly motivated and eager to be the part of Nepali brother mission.

Thank you for considering my application. I am very thrilled for the opportunity to contribute to your organization.

Sincerely,
Nistha Gumanju
